INFORMATION ON ONLINE ACTIVITIES

Online tour

The cultural mediator will lead a virtual tour of the exhibition through a video developed by the Educational, Citizen and Cultural Action team at the McCord Stewart Museum. It will be projected onto a large screen from the classroom computer. The mediator and students are free to discuss the topics at hand, as they are presented. Like the guided tours at the Museum, the in-class guided tours involve interaction. The educator must remain close to the computer should any technical difficulties arise.

Required materials

- A computer with an Internet connection, speakers, a microphone and, ideally, a webcam;
- A projector (classroom activities).

The video should be projected on a large screen (IWB, large television, screen etc.)

Signing in

The cultural mediator will interact with the group through Zoom. Once your reservation has been confirmed, you will receive detailed sign in information for the Zoom platform. It is strongly recommended that you acquaint yourself with the sign in process before the start of the virtual activity.
