

I was talking to Syd's wife
tonite on the phone, Syd
is stationed near London
now and has no idea
when he will be coming
home.

My Mother spent last winter
with me and in a couple
weeks both my Mother and
Dad are coming out to stay
with me this winter.

Chuck and I had saved
enough for a home so
I think now. Mother & Dad's

Dear Maurice,

We read your letter
tonite Maurice as I have
many times before and
have finally resigned myself
to the fact that ^{Chuck} won't come
back.

I have started to write
you several times but
really didn't know what
to say.

I often wondered if Chuck

hasn't arrived yet.

I met Poppy Pawell since he arrived from overseas he is attending the University of B. C.

Victor McManis has just come out to the coast but I haven't seen him yet.

You must have known Syd Chadoff who was Artist for 404 while Chuck was there.

was hurt.

He could swim but wasn't a strong swimmer. Chuck always said he would rather die than be taken prisoner.

I can't understand why Chuck would leave the plane knowing that a dinghy would come up.

He was "presumed dead" some time ago but his personal effects

will build one in B. C.

If you are ever out west
I would be sure to call
on me. You are very
welcome.

B. C. is a beautiful province
the mountains, rivers, lakes.
I love it. The climate is
another advantage, mild
short winters.

You must be discharged
by this time. What are
you doing? Are you
married yet? If you

for your letter. I really appreciated it, you answered many of the questions I wanted to have answered.

Sincerely,

Louis.

Gee, Maurice I don't know how to address your letter after this long time but I presume you will get it anyway.

are I wish you every happiness for the future. If you aren't married yet, the wish still stands as I gather from your letter you were hoping to soon.

Our wedding anniversary is on Nov 18.

As you can see my mind is wandering so I will stop chattering.

But before closing I want to thank you
